PVJapan 2013

POST SHOW REPORT

July 24 (Wed.) - July 26 (Fri.), 2013 Tokyo Big Sight

Organized by JPEA (Japan Photovoltaic Energy Association)

Concurrent Event: 8th Renewable Energy World Exhibition (Organized by Japan Council for Renewable Energy)

About PVJapan2013

Event Name: PVJapan2013

Organizers: JPEA (Japan Photovoltaic Energy Association)

Dates: July 24 (Wed.) – 26 (Fri.), 2013 10:00–18:00 (until 17:00 on the last day)

Venue: Tokyo Big Sight West Hall 1F

Entrance Fee: Free of charge, registration required

Co-Sponsors: American State Offices Association (ASOA); Architectural Institute of Japan (AIJ); Japan Electric Construction Association (JECA);

Japan Electrical Safety & Environment Technology Laboratories (JET); Japan Federation of Construction Contractors (JFCC); Japan Society for the Promotion of Science, The 175th Committee Innovative Photovoltaic Power Generating Systems; Japan Society of Energy and Resources (JSER); Japan Solar Energy Society (JSES); New Energy Promotion Council;

Optoelectronic Industry and Technology Development Association (OITDA); Photovoltaic Power Generation Technology Research Association (PVTEC); Saitama Council for the Promotion of Solar Power; Semiconductor Equipment Association of Japan (SEAJ); Solar System Development Association (SSDA); The Electrochemical Society of Japan (ECSJ); The Institute of Applied Energy (IAE); The Institute of Electrical Engineers of Japan (IEEJ);

The Japan Electrical Manufacturers' Association (JEMA); The Japan Institute of Architects (JIA); The Japan Institute of Energy (JIE);

The Society of Chemical Engineers, Japan (SCEJ)

Concurrent Event: 8th RENEWABLE ENERGY 2013 EXHIBITION (Organized by Japan Council for Renewable Energy)

PVJapan2013 Sponsorship (Alphabetical order):

Gold Sponsor:

TOSHIBA
Leading Innovation

Number of Exhibitors

◇PVJapan2013

185 Exhibitors, 579 Booths, 10 Countries/Regions

◇RENEWABLE ENERGY WORLD FAIR 2013 330 Exhibitors, 769 Booths, 14 Countries/Regions * PVJapan2013 was co-located with 8th RENEWABLE ENERGY 2013 EXHIBITION as RENEWABLE ENERGY WORLD FAIR 2013.

Number of Visitors of RENEWABLE ENERGY WORLD FAIR

Date	Weather	Visitor Number
Wed., July 24	Cloudy after rain	14,109
Thu., July 25	Cloudy, fair later	15,434
Fri., July 26	Cloudy	15,765
Total		45,308

^{*}Total number of PVJapan2013 and 8th RENEWABLE ENERGY 2013 EXHIBITION.

Show Area

■Exhibit Zones

- Solar Cells / Modules, Related Products, Applications Zone
- System / BOS / Smart Network Technology Zone
- Manufacturing Equipment / Components, Materials and Facilities / Inspection and Measurement Tools Zone
- · Construction Services Zone
- Other Related Products / Technologies / Services / Local Government Zone

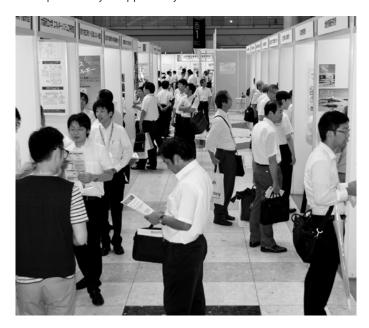

■Academic Gallery

Universities and institutes presented their latest R&D activities on photovoltaics. Academic Gallery resulted in an ideal venue for networking between industry and academia.

Number of Universities and Institutes at Academic Gallery: PVJapan 2013: 15 Universities and Institutes RENEWABLE ENERGY WORLD FAIR: 20 Universities and Institutes

Supported by:

The 175th Committee Innovative Photovoltaic Power Generating Systems The Japan Society of Applied Physics

■Main Stage

A stage was setup at PVJapan Exhibition Hall for various presentations. They brought visitors in-depth information on current focuses of technology and business attention.

Number of Sessions: 28 Total attendee: 1,607

• Business Seminar

Exhibitor Seminars

Seminars & Events

Number of Sessions: 18 Total attendee: 2,072

■ RENEWABLE ENERGY WORLD FAIR 2013 Opening Ceremony

Date: Wed., July 24 9:40–10:00

Venue: Tokyo Big Sight West Hall 1F Atrium

Welcome Remarks

Yoshiro Owadano, Exhibition Committee Chair, Vice Representative, Japan Council for Renewable Energy (JCRE)

Shinichi Suzuki, Secretary General, Japan Photovoltaic Energy Association (JPEA)

Guest Speech

Keisuke Murakami, Director, New and Renewable Energy Div., Energy Conservation and Renewable Energy Dept., Agency for Natural Resources and Energy, Ministry of Economy, Trade and Industry (METI)

Ribbon Cutting Ceremony

Mohau Pheko, Ambassador to Japan, South African Embassy Japan Keisuke Murakami, Director, New and Renewable Energy Div., Energy Conservation and Renewable Energy Dept., Agency for Natural Resources and Energy, Ministry of Economy, Trade and Industry (METI)

Kosuke Kurokawa, Representative, Japan Council for Renewable Energy (JCRE) Masayuki Kamimoto, Vice Representative, Japan Council for Renewable Energy (JCRE) Yoshiro Owadano, Exhibition Committee Chair, Vice Representative, Japan Council for Renewable Energy (JCRE)

Sadao Wasaka, Executive Director, New Energy and Industrial Technology Development Organization (NEDO)

Ryuichi Ito, Executive Managing Director, New Energy Foundation (NEF)
Shinichi Suzuki, Secretary General, Japan Photovoltaic Energy Association (JPEA)
Takashi Nagamine, Executive Officer, Japan Photovoltaic Energy Association (JPEA)
Kanzo Sugimoto, Executive Officer, Japan Photovoltaic Energy Association (JPEA)
Hitoshi Nishibori, Executive Officer, Japan Photovoltaic Energy Association (JPEA)
Masaaki Kameda, General Manager Technical Dept. and Public Relations Dept.,
Japan Photovoltaic Energy Association (JPEA)

■ RENEWABLE ENERGY WORLD FAIR 2013 Keynote Speech

Date: Wed., July 24 10:30-12:30

 $Venue: International \, Conference \, Room, \, 7F, \, Conference \, Tower, \, Tokyo \, Big \, Sight$

Welcome Speech by Organizer Representative

Kosuke Kurokawa, Representative, Japan Council for Renewable Energy (JCRE)

Guest Speech and Lecture

Yoichi Kimura, General Manager, New and Renewable Energy Div., Energy Conservation and Renewable Energy Dept., Agency for Natural Resources and Energy, Ministry of Economy, Trade and Industry (METI)

Yoichi Kamiya, Climate Change Policy Division, Global Environment Bureau, Ministry of the Environment

Keynote Speech, Representative from Japan

Kazuhiro Ueta, Professor, Graduate School of Economics, Kyoto University Committee Chairman, regarding Purchase Prices and Surcharge Rate under FIT Scheme for Renewable Energy

Keynote Speech, Representative from Oversea

Christian Masset, Ambassador of France to Japan Daniel Clement, Deputy Scientific Director, French Environment and Energy Management Agency (ADEME)

■PVJapan Executive Forum

Date: Wed., July 24 14:30-17:00

Venue: International Conference Room, 7F, Conference Tower, Tokyo Big Sight

The reform of Japanese electric power systems and PV markets

Toshihiro Matsumura, Professor, Institute of Social Science, The University of Tokyo

Expectation for further spread of PV systems and challenges to the realization

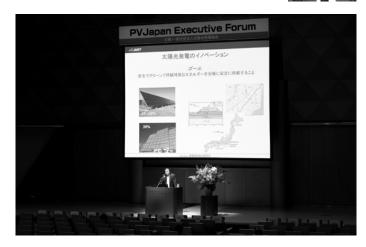

Atsuhiko Hirano, Senior Vice President and Director, Solar Frontier K.K.

The innovation of technology for future PV systems – beyond the 100GW era

Michio Kondo, Supervisory Innovation Coordinator, Research and Innovation Promotion Headquarters, National Institute of Advanced Industrial Science and Technology (AIST)

■Business Seminars

Date: Wed., July 24 – Fri., July 26 10:30-11:10, 11:20-12:00 Venue: Main Stage in Exhibition Hall, West Hall 1, Tokyo Big Sight

Explanation of Application for Residential PV System Subsidies

- Points and Tips of Application for Subsidies -

Japan Photovoltaic Expansion Center / Japan Photovoltaic Energy Association (JPEA)

Procedures of Registration and Approval for PV Systems

- Points of Procedures of Registration for PV Systems less than 50kw - JPEA Application Center / Japan Photovoltaic Energy Association (JPEA)

■PVJapan Technical Seminars

Date: Wed., July 24 – Fri., July 26

Venue: Conference Room 101 and 102, Conference Tower 1F, Tokyo Big Sight

Technical Seminar 1 Next Generation Solar Cells

- Trends in Concentrated, Organic Film and Dye Sensitized Solar Cells -Toin University of Yokohama, Mitsubishi Chemical, Sharp, University of Miyazaki, Panasonic, Kaneka

Technical Seminar 2 Thin Film Solar Cells

- Technical Trends of High Efficiency and the Competitiveness Reinforcement - Tokyo Institute of Technology, Tokyo Electron, Solar Frontier

Technical Seminar 3 PV Systems for Non-residential Use

- Seminar for PV systems for non-residential use - Japan Photovoltaic Energy Association (JPEA)

Technical Seminar 4 Crystalline Silicon Solar Cells

- Latest Technological Trends for The Evolution of Crystalline Silicon and High Efficiency Cells -

National Taiwan University, French Alternative Energies and Atomic Energy Commission, Meiji University, Sanyo Electric / Eco Solutions Company of Panasonic Group, Kyocera, Applied Materials Japan

Technical Seminar 5 Solar Power Generation Business

- The Opportunity and Problem of Solar Power Generation Business -Baker & McKenzie (Gaikokuho Joint Enterprise), First Solar, Shinsei Bank, NTT Facilities, RTS, Solar Frontier

Technical Seminar 6 Materials

- Materials for Photovoltaic Energy -

DuPont, Asahi Glass, Shin-Etsu Chemical, Japan Electrical Safety & Environment Technology Laboratories, Panasonic

Technical Seminar 7 Plan / Construction 1

- The market trend of PV system for residential use and seminar for qualification of PV system installers -

Japan Photovoltaic Energy Association (JPEA)

Technical Seminar 8 Overseas Markets

- The Present Conditions and The Future of the Overseas Markets -Solarbuzz, Asian Development Bank / NPO Regional Task Force, Eurus Energy Holdings, Japan Photovoltaic Energy Association (JPEA)

Technical Seminar 9 Plan / Construction 2

- The market trend of PV system for residential use and seminar for qualification of PV system installers -

Japan Photovoltaic Energy Association (JPEA)

■ Renewable Energy World Fair 2013 VIP Reception

Date: Wed., July 24 17:30-19:15

Venue: Hall A and Foyer, Tokyo Conference Center Ariake

Opening Remarks

Kosuke Kurokawa, Representative, Japan Council for Renewable Energy (JCRE)

Guest Speech

Keisuke Murakami, Director, New and Renewable Energy Div., Energy Conservation and Renewable Energy Dept., Agency for Natural Resources and Energy, Ministry of Economy, Trade and Industry (METI)

Toast Ceremony

Keisuke Murakami, Director, New and Renewable Energy Div., Energy Conservation and Renewable Energy Dept., Agency for Natural Resources and Energy, Ministry of Economy, Trade and Industry (METI)

Kosuke Kurokawa, Representative, Japan Council for Renewable Energy (JCRE) Masayuki Kamimoto, Vice Representative, Japan Council for Renewable Energy (JCRE) Yoshiro Oowadano, Vice Representative, Japan Council for Renewable Energy (JCRE) Michio Hashimoto, Director, New Energy and Industrial Technology Development Organization (NEDO)

Yann-Hervé De Roeck, General Director, France Énergies Marines Michio Kondo, Supervisory Innovation Coordinator, Research and Innovation Promotion Headquarters, National Institute of Advanced Industrial Science and Technology (AIST) Atsuhiko Hirano, Senior Vice President and Director, Solar Frontier K.K. Shinichi Suzuki, Secretary General, Japan Photovoltaic Energy Association (JPEA) Takashi Nagamine, Executive Officer, Japan Photovoltaic Energy Association (JPEA) Kanzo Sugimoto, Executive Officer, Japan Photovoltaic Energy Association (JPEA) Hitoshi Nishibori, Executive Officer, Japan Photovoltaic Energy Association (JPEA) Aiji Suzuki, Director, Japan Photovoltaic Energy Association (JPEA)

Toast Speech

Aiji Suzuki, Director, Japan Photovoltaic Energy Association (JPEA)

Closing Speech

 $Yoshiro\ Oowadano,\ Vice\ Representative,\ Japan\ Council\ for\ Renewable\ Energy\ (JCRE)$

Visitors' Profile

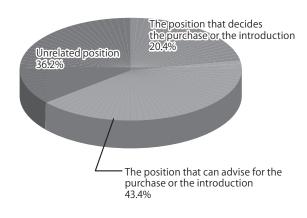

Q1. Visitor Category of Business

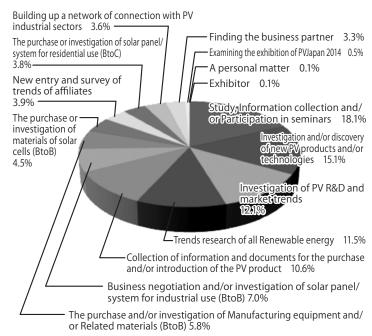

Q2. Visitor Primary Job Function

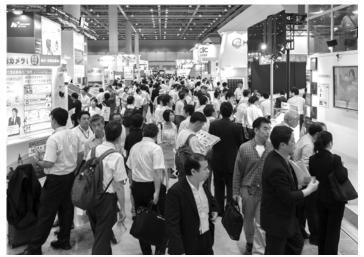

Q3. What kind of position are you for the purchase or the introduction of products?

Q4. What was the purpose of your visit PVJapan2013?

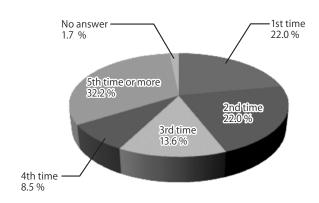

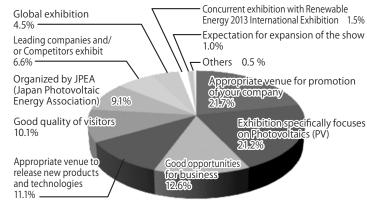

Exhibitors' Profile

Q1. How many times did you participate in PVJapan?

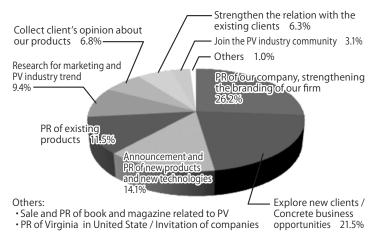

Q2. Reasons why you selected PVJapan. (Check all that apply)

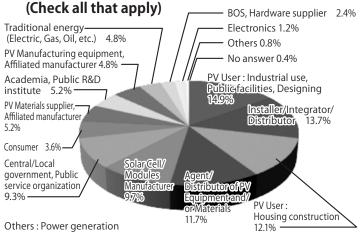

Others:

investigation for visitors' trend with a change of venue and reaction to products

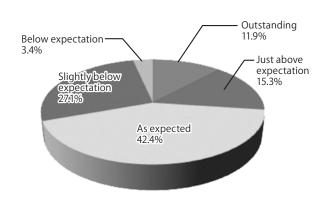

Q3. What was the purpose of participating in PVJapan?

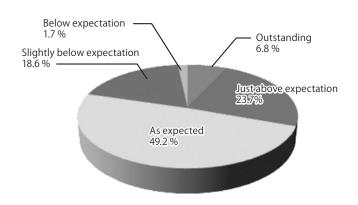

Q4. Your favored visitors by the particular area of business

Q5. To what extent did the number of visitors achieve?

Q6. Your overall evaluation of PVJapan2013
